A Word From Nancy ...

Most of us when asked to give to a ministry want to know if our gift will make a difference at all. Are we changing lives? Are we impacting our culture?

Consider the person who gives \$25 per month to Mend Medical Clinic/Pregnancy Resource Center. What impact will that gift make?

First Month: \$25. purchases 20 pregnancy tests to serve our clients
Second Month: \$25. purchases 12 Bibles to share the hope of Christ.
Third Month: \$25. purchases 60 brochures to share preborn development

And yet that is only the first three months. What about the next three?

In months 4, 5, and 6, \$75 is enough to purchase medical supplies to perform ultrasounds for a week on clients considering abortion. When she sees the picture of her child there is a 90% chance she will choose life. Your \$75 may be the catalyst to bring a child into this world.

And what about the \$300 total given for the year? This would pay the rent for the nurse's office to do ultra sounds for one month. This would give Mend a place to show approximately 30 moms a window to the womb.

To join the many who are giving \$25. per month and more, simply go to www.mendpregnancy.org and click on donations and sign up through our web site. Or, use the envelope provided to send in your first gift. Write "monthly" on the memo section and we will know your intentions.

It's \$25 per month and you can join us in impacting this generation and the next.

Sexual Integrity Program by volunteer Sara Smith

Mend has begun a Sexual Integrity program developed by Heartbeat International. This program is designed to help women learn what God has to say about how they express their gift of sexuality. The focus is to teach our clients that God's plan is for them to save this expression until after marriage. Every week the client can come for an hour. Half of the hour is spent watching a counselor on DVD teach. The rest of the hour is spent with a Mend volunteer listening to her comments and what she has learned from the DVD. She earns Baby Bucks for attending this program.

The first of the 12 week sessions deals with abuse. The counselor states that any woman who is continually having sex outside of marriage has been abused sexually, emotionally, and/or physically during their childhood. This session deals with helping the woman recognize the abuse and who abused her, and helps instruct her on how to forgive and heal from the abuse.

Another session deals with giving the client the truthful picture of God's original design for her life. As with the first session, there is a workbook that the client works on as she watches the DVD. There are also helpful Christian books that the client can choose to read and later discuss in a book club.

So far, the women have said that they have been helped by the program. We believe that it will have a great impact on their lives and are excited to include it in our educational series. Moms who participate in the program earn Baby Bucks, which can be used to purchase items that they need for the baby (diapers, formula, food, etc).

Baby Bucks Program Needs....

Diapers—Sizes 2-6
 Kid's Clothes up to 3T
 (especially boys clothes)
 Wipes
 Cribs (new or not on a recall list)
 Car seats (max 6 years old)

March for Life 2011

The peaceful and prayerful March for Life 2011 through downtown Tulsa was an encouraging time to see Tulsans unite to raise awareness about the sanctity of human life and the evils of abortion.

Next year, the March for Life will be on Sunday, January 22.

We hope you will join us then!

Supporting Women in Life Choices

Mission Statement

The mission of Mend Medical Clinic/Pregnancy Resource Center is to empower and provide women with life affirming alternatives associated with an unplanned pregnancy through the love of Jesus Christ.

Purpose

Mend is a private, nonprofit, life-affirming organization whose purpose is to help women find and implement positive, loving solutions for unplanned pregnancies. This ministry encourages women to choose life by offering support and assistance during these times of crisis. Mend provides services to women without regard to race, age, financial status or religious preference.
