Mend Mission

To empower and provide women with life affirming alternatives associated with an unplanned pregnancy through the love of Jesus Christ.

SUPPORTING WOMEN IN LIFE CHOICES

July August September 2009

Issues - National Health Care and Unethical Vaccines

President Obama's national health care plan would include abortion as a health benefit in both government and private insurance plans, leading to possibly millions more abortions. Taxpayer money would be used to pay for abortions in the government-run health care option. But congressional Republicans, strongly opposed to an abortion requirement in health care reform, are pushing for a ban on using taxpayer money to pay for such procedures.

Pro-life members of Congress have said the plan's approach to abortion is essentially the same as the Freedom of Choice Act, which would strip states' right to limit abortion, establish abortion on demand across the country, and allow federal funds to pay for the procedure. www.cnsnews.com/public/Content/Article.aspx?rsrcid=51029

Did you know that many of our children's and adult vaccines were made from aborted fetuses? More than 80 abortions were performed in the creation of the most widely used rubella vaccines. Tissue from aborted fetuses also contributed to development of vaccines used in immunizations for measles, mumps, chickenpox, polio, hepatitis A & B, and other diseases.

Some vaccines based on non-human sources are widely available, but they have either been withdrawn from the market, or families aren't being told they have an alternative.

According to Theresa Deisher of AVM Biotechnology, "The result is that we have human DNA contaminant from those aborted babies in our medicine—right now predominantly vaccines, but it's moving into other medicines beyond vaccines—that we inject into our innocent chil-

dren...because we have mandated vaccination programs."

Vaccines from fetal cell lines are also in development for ebola, flu, avian flu, and HIV.

For more information and alternative vaccines, see the following organizations websites:

A Word From Nancy

When I have the opportunity to give tours at Mend or speak before a group, I receive praise for the work of the ministry, for the babies saved and the lives changed. It is not me. First the

glory goes to God for the vision and the strength to continue for 22 years. Second, the praise goes to the faithful, dedicated volunteers who give their time and talents week after week and pour out their hearts to the clients on a daily basis. They make it possible, they make it happen, more than I ever dreamed possible.

We have many volunteers who have served for years and many more that are here for a season. They are trained not only for Mend, but to carry the message of life and hope to all they touch in the future. We

see them as missionaries going out into the world with the vision of life and hope in all situations.

Mend is open 40 hours a week, and my vision is to have volunteer staff to serve clients for pregnancy tests and assistance all forty hours. To do this, we need many more volunteers to help four hours or more a week. If you feel called to minister to women and show the love of Jesus to them, please call us. We need volunteers in many different areas. For more information, call 745-6000.

New Arrivals

Babies born to Mend clients:

Just Between Friends Fall Sale

It is that time again. Just Between Friends is having their fall sale and has again agreed to let Mend pick up their donated maternity items at the end of the sale! JBF is a great place to shop for all of your children's fall and winter clothing. The sale also features special sections for sports equipment, playground equipment, baby equipment and baby and juvenile and household furniture. Come shop the sale:

JBF Tulsa's Fall Event
 August 23-29th, 2009
 Exchange Center at Expo Square
 Sunday, 1:00-7:00pm
 Monday-Sat., 9:00am-7:00pm
 MON (new merchandise) Thur-Fri. (25% off)
 Saturday, 9:00-7:00pm (50% off)

Ultrasound Testimonies

This past month, an Hispanic woman came in to us inclined to have an abortion. We did one ultrasound and encouraged her to come back for a second when we had a Spanish-speaking counselor. She did and this time decided to choose life, praise God. Not only that, but our counselor invited her to the Spanish Bible study we had started, and the client has been coming.

Another young client came in with her mother, both determined that she have an abortion. The counselor and nurse tried to speak to them about

the emotional and physical complications and to encourage other options, but they refused to listen and almost left.

The nurse encouraged the client to complete the ultrasound, and when she did the nurse could not find a heart-beat. This client left to go see her doctor, grateful for the services we provide and that she did not rush to the abortion clinic. Follow-up confirmed she did indeed have a miscarriage.

A third client called for an abortion and the receptionist was able to get her to come in

for a PT and ultrasound appointment. The client came in and watched the DVD on abortion procedures, and discussed all the procedures and options with the counselor. She had an ultrasound done and the results were inconclusive, so the nurse referred her on for further medical assessment.

We continue to be grateful for how God uses our nurses and ultrasound equipment to save lives, both of babies and moms, and as a tool to speak into women's lives. Please keep our clients and nurses in your prayers.

Ultrasound nurse, Tammy Zoller

Two little babies that didn't make it

Volunteer Nancy Adams with donations in our Baby Bucks Boutique

Thank you for Donations

Thanks to the following donors and all who gave this last quarter:

- Matt and Lydia Brodine– new computer!
- Esther Crouch– formula
- Rebecca Wiland– bassinet, baby items
- Shaka Reynolds– bassinet, car seat, bouncy chair, tub
- Branden & Athena Rainbolt– baby clothes, books
- Toshea Wilson– baby clothes
- Chandra Robinson– baby & maternity clothes, car seat
- Rachel Metcalf– clothes and two strollers
- Church on the Move– diapers
- Bill Pylate, Rhema Mississippi– diapers, clothes, baby items
- Steve Peters– formula and baby food

Donations Needed

Don't forget us with your donations of nice used or new infant size 0-2 clothing. We continue to run low on **boy clothes**. We also continue to have a need for good used or new **car seats, cribs, and bassinets** for our Baby Bucks room. These items go quickly as there is such a need and girls work to earn and purchase them. We are also in need of a good used **digital camera**.

Supporting Women in Life Choices

Mission Statement

The mission of Mend Medical Clinic/Pregnancy Resource is to empower and provide women with life affirming alternatives associated with an unplanned pregnancy through the love of Jesus Christ.

Purpose

Mend is a private, nonprofit, life-affirming organization whose purpose is to help women find and implement positive, loving solutions for unplanned pregnancies. This ministry encourages women to choose life by offering support and assistance during these times of crisis. Mend provides services to women without regard to race, age, financial status or religious preference.
